TOPIC 2 Systems of Linear Equations and Inequalities

Name _____ Date _____

1. The boundary line for $y \leq 3x + 1$ is...

A. dashed, because ≤ includes the line

B. solid, because points on the line are not solutions

C. solid, because ≤ includes the line

D. dashed, because the slope is 3

2. Which point is a solution of $2x + 3y \geq 12$?

F. (1, 2)

G. (0, 3)

H. (2, 2)

J. (3, 3)

3. Graph $y > x - 2$. Describe the boundary line and which side you shade.
